The program you are applying is
Financial Engineering

This screenshot shows the 'Upload Materials' step of the application process. On the left, there is a sidebar with a list of four steps: 1. Fill in online application form, 2. Upload required application materials, 3. Make payment of application fee, and 4. Submit your application to the university. The main content area asks the user to 'Please select the type of method of paying tuition fees.' with a radio button selected for 'Self-paying'. Below this, a red box highlights a 'Fee list' section containing ten items: 1. Tuition fees (check structure), 2. Application Fee: 500 RMB, 3. Accommodation fee (on campus) for International Students' Hostel (Single Room: 1200/month, Double Room: 900/month), 4. Accommodation deposit: 1400 RMB for International Students' Hostel only, 5. Water and Electricity fee (20-350 RMB), 6. Textbook: 300-500 RMB, 7. Smart E-card: 15 RMB, 8. Insurance: 800 RMB/year, 9. Residence permit: 400 RMB per semester, 800 RMB per year, and 10. Medical Check-up: 535 RMB.

5. You're required to fill in all the information **IN CAPITAL**, finish the procedures of **application form, upload materials and submit application**. The **mailing address** shall be filled in detail including **the Room number, Building, Road, City and Country; Receiver name, Phone number;** otherwise the delivery of admission documents might be failed.

The program you are applying is
Financial Engineering

This screenshot shows the 'Application Form' step of the application process. On the left, there is a sidebar with a list of sections: Personal Information, Education, Family Members, and Mailing Address. The main content area is titled 'Personal Information' and contains a 'BASIC INFORMATION' section with two text input fields. The first field is labeled 'TIM' and has a note 'Surname in passport' below it. The second field is labeled 'KING'.

The program you are applying is
Financial Engineering
